Journalism ethics and standards comprise principles of ethics and of good practice as applicable to the specific challenges faced by journalists. This subset of media ethics is widely known to journalists as their professional "code of ethics" or the "canons of journalism". The basic codes and canons commonly appear in statements drafted by both professional journalism associations and ...

Many aspects of the gun control issue are best measured and sometimes can only be measured through surveys, but the accuracy of such surveys depends upon respondents providing truthful answers to questions that are sometimes controversial and potentially incriminating. Thus, Just Facts uses this data critically, citing the best-designed surveys we find, detailing their inner workings in our ...
