Many attempts have been made to translate the Bible into Late Modern (c. 1700â€“1900) and present-day (c. 1900â€“) English.. The New Revised Standard Version is the version most commonly preferred by biblical scholars. In the United States, 55% of survey respondents who read the Bible reported using the King James Version in 2014, followed by 19% for the New International Version, with other ...

In the context of religion, one can define faith as confidence or trust in a particular system of religious belief. Religious people often think of faith as confidence based on a perceived degree of warrant, while others who are more skeptical of religion tend to think of faith as simply belief without evidence.
