This book is not about JavaScript design patterns or implementing the object-oriented paradigm in JavaScript. It was not written to distinguish the good features of the JavaScript language from the bad. It is not meant to be a complete reference guide. It is not targeted at those new to programming or those completely new to JavaScript. And it is not a cookbook of JavaScript recipes.

3.3.2 Figure options. There are a number of options that affect the output of figures within PDF documents: `fig_width` and `fig_height` can be used to control the default figure width and height (6x4.5 is used by default).. `fig_crop` controls whether the `pdfcrop` utility, if available in your system, is automatically applied to PDF figures (this is true by default).
