His sagacity in judging how far he could advance on any question without alarming the public mind was remarkable. Naturally conservative, when the psychological moment arrived, however, he would cast his idols to the moles and bats and lead a procession of the most advanced radicals with all the enthusiasm of a new convert.

Education reform is the name given to the goal of changing public education. Historically, reforms have taken different forms because the motivations of reformers have differed. However, since the 1980s, education reform has been focused on changing the existing system from one focused on inputs to one focused on outputs (i.e., student achievement).
